

BEERONOMICS 2019

11–14 June 2019
Pilsner Urquell Brewery (Czech Republic)

CALL FOR PAPERS

Beeronomics 2019 is organized by the Beeronomics Society, the Faculty of Economics of University of West Bohemia in Pilsen, and the Department of Economic Policy of Slovak University of Agriculture in Nitra.

The conference in Pilsen, Czech Republic is the 6th Beeronomics Conference and follows the successful conferences held biennially in Leuven (Belgium 2009), Munich (Germany 2011), York (UK 2013), Seattle (USA 2015) and Copenhagen (Denmark 2017).

For information on these conferences, see: <http://www.beeronomics.org/events.html>

AIMS AND SCOPE

Beeronomics 2019 welcomes all research papers of high quality related to the economics of beer and brewing. The conference will cover a wide array of topics including, among others:

- the economics of production and consumption
- international and regional distribution and trade
- industrial organization
- management, marketing and market structure
- beer consumption, beer choice and health
- economic history, law and regulation
- innovation, impact of beer on society and culture.
